## SUMMARY OF FACTS AND PARTIES' REQUESTS

1. In the Order, the Court of Appeal ordered NST to provide security for costs to Audi in an amount of EUR 100.000 in APL\_25926/2024, ACT\_597691/2023, in an amount of EUR 100.000 in APL\_25923/2024, ACT\_597693/2023, and in an amount of EUR 300.000 in APL\_25919/2024, ACT\_597692/2023, either by deposit or by a bank guarantee issued by a bank licensed in the European Union, within three weeks from the date of service of the Order.
2. On 25 September 2024 Audi filed a request for rectification pursuant to R.353 RoP (App\_53212/2024 UPC\_CoA\_217/2024). It requests that the rectified order also include: "informs NST that, if NST fails to provide the respective security within three weeks from the date of service, a decision by default may be given, in accordance with Rule 355, in the respective infringement action". Alternatively, Audi requests that the Court informs NST separately that, if NST fails to provide the respective security within three weeks from the date of service, a decision by default may be given, in accordance with R.355 RoP, in the respective infringement action.
3. Audi argues that there is an obvious slip in the order, as R.158.4 RoP provides that the information as referred to above shall be given by the Court. The alternative request is based on an interpretation of R.158.4 RoP such that the information must not necessarily be provided in the operative part of the Order itself.

## POINT AT ISSUE

Notification pursuant to R.158.4 RoP

## FOUNDATIONS FOR THE ORDER

1. Given that the Court of Appeal in the Order specified the time limit within which NST is to provide the required security, pursuant to R.158.4 RoP, the Court has to inform NST that if it fails to provide adequate security within the time stated in the Order, the Court (meaning in the present case: the Court of First Instance dealing with the main action) may give a decision by default pursuant to R.355 RoP.
2. It does not follow from R.158.4 RoP that the information as meant therein must necessarily be given in the Order itself. In its Statement of appeal and grounds of appeal, Audi had not requested that this information be included in the Order itself either. The Court thus does not see the necessity for rectification of the Order. It therefore suffices that the information as meant in R.158.4 RoP is provided to NST by this separate order.

## ORDER

The Court of Appeal:

- notifies NST that if it fails to provide adequate security – adequate meaning: the amount of security and in the required form as stated in the Order – within three weeks from the date of service of the Order, i.e. three weeks as from 17 September 2024, the Court of First Instance dealing with the main action, may give a decision by default pursuant to R.355 RoP.
