## New CMS Applications

The CMS is made up of 3 applications, each with its own specific features and access restrictions. As external users of the new CMS, you will have access to 2 applications: the Front Office and the Front Office Portfolio.

Applications	Description	UAT Access Links
<b>Front Office</b>	<ul style="list-style-type: none"> <li>Filing new requests</li> <li>Filing requests for cases not in your portfolio</li> <li>Managing user profile and legal teams</li> <li>Manage, sign and send submissions</li> </ul>	<a href="https://cms.unifiedpatentcourt.org/">https://cms.unifiedpatentcourt.org/</a>

To access the new CMS, you will have **2 options** depending on your status. Indeed, “existing” and “new users” will have to follow different steps in order to start using the new CMS.

By “new users” we considered all parties that have never created an account on the previous CMS.
