Special Rules for the Budget Committee  
for the period of provisional application  
of the Agreement on a Unified Patent  
Court

Luxembourg, 23 February 2022

## Explanatory Note

Given the variety of tasks to be completed during the period of provisional application of the UPC Agreement, it is suggested to cater for a somewhat simplified regime for the Administrative, Budget and Advisory Committee in order to provide the necessary flexibility for the decision-making processes of the different Committees. In particular, the Committees will need to have flexibility in their meetings concerning e.g. place, convocation of meetings, agenda, deadlines, etc. Therefore, in addition to the adoption of their Rules of Procedure, it is suggested that each Committee adopts specific provisions or exemptions which will apply for the duration of the provisional application period.

The proposal submitted to the Budget Committee for adoption had been presented to the Preparatory Committee in document PC/02/May2016 and agreed at its 16th meeting on 26 May 2016.
